Step 2 ~ Continued

Ordering: Please **complete and sign** the order form ~ step two. Then fax or mail the **entire** order. Once it is received, a Krysia Sales Representative will be in contact within 72 hours to finalize and confirm order.

Fabric Samples: We will be happy to send 3 **in-stock** fabric swatches of your choice at no charge. If additional **in-stock** swatches are required there will be a \$3.00 fee. If for any reason the requested colors are not in stock, a Krysia Sales Representative will be glad to mail out a complete color card. To receive a color card, a credit card deposit is required. If the color card is not received back in the studio within 5 business days of receipt, your credit card will be charged \$25.00. Once the order is placed, it is possible to request a fabric swatch. A generous amount will be sent within 4 weeks.

Fabric: Our quality silk fabrics may contain variations and irregularities, which are characteristics of fine silk. These characteristics are found in all quality silk yarns and create the natural beauty of the fabric. Please do not mistake these characteristics for defects.

Timing of Order: It is recommended the order is placed at least 16 weeks prior to the wedding date.

Rush Orders: Orders placed less than 16 weeks prior to the wedding require an additional fee which will be determined at time of order.

Sizing: It is recommended that a dry cleaner or tailor take professional measurements. Clients then must refer to the size chart in step one to select size. **THIS STEP IS CRITICAL TO INSURE CORRECT SIZE CHOICE.** Since we are unable to determine the body changes due to pregnancy a Krysia sales representative will be happy to discuss style and size options.

Alterations: Garments are sized according to the Krysia Bridal size chart. Please expect alterations.

Shipping: Garments are shipped ground. A shipping charge of \$25.00 per bridal gown and \$12.00 per bridesmaid or flower girl dress will apply for dresses shipped within the United States. Faster delivery is available for an additional charge. International shipping charges will be determined at time of order.

Payment: A minimum deposit of 50% of the total order is required at time of order, payable by check or credit card. The remaining balance is due prior to shipping of the finished order, which is payable by credit card only.

Sales Tax: It is required that 6% sales tax be added to orders shipped to Florida and Michigan.

Return Policy: All garments are custom cut and manufactured, therefore no returns or exchanges can be made. **ALL SALES ARE FINAL.**

Garments Needing Extra Attention: We pride ourselves in quality control. All garments are checked and re-checked for quality and workmanship. However, in the rare occasion that an item needs extra attention, please let us know within 3 days of receiving the shipment. Another identical garment will be shipped with the necessary adjustments, or repairs will be made to the original garment. Krysia Bridal will determine the proper course of action based on the individual situation.

If you have any questions regarding the ordering process, please contact our sales studio at 1-800-4-KRYSIA. We want you to feel completely comfortable with your ordering decision.

I understand and agree to the above ordering policies and procedures.
